Year 4

In Year 4 we have been historians! On Monday, we explored some Anglo-Saxon artefacts. We had to decide what the objects were used for, what they were made from, who used them and whether we still used something similar today. The children loved interpreting the evidence and having the opportunity to handle the precious, historical artefacts

World Environment Day - Monday 5th June

St Nicolas has a thriving Eco Council and so many of our children are passionate about saving the planet. Thus, we wish to take part in World Environment Day on Monday 5th June. We would like to explore this by inviting speakers into school to talk to different classes. If your job/hobby is linked to environmental issues, sustainability, energy, nature etc and are willing to share your expertise and knowledge with our children then please contact the School Office, and leave a message for Mrs JD.

Eco Council

The Eco Council would like all of our families to collect old batteries so we can recycle them as part of 'The Big Battery Hunt.' Please send them into school - each classroom has a collection box. Thank you !
