Spring Term 1 — Wednesday 18th January 2023
This term's Christian Value is Thankfulness

Year 4 – Design and Technology (DT)

Year 4 have designed, made and evaluated a lamp for a child to light their bedroom. The children researched and evaluated the effectiveness of other lights. They learnt how to create a complete electrical circuit and discussed how we knew the circuit was complete or incomplete. To be able to turn the light on and off, they created their own switch. This was made using paper fasteners and a paper clip. They created their casing out of card and coloured cellophane. They always kept the user in mind and thought about what they would like when were making their choices. Finally, they tested their lights in the dark to see if they were fit for purpose.

Netball

It was a very cold evening last night, for our final round of the Year 6 Netball League. Our final two games were against Milby and Weddington. Both were closely contested down court, but unfortunately we just couldn't seem to get the final goals in, and we lost both matches 4-0 and 4-1.

Congratulations to Our Lady and St Joseph Catholic Academy who won the league overall.

We placed a respectable 4th out of the 10 teams who entered and I have been so proud of the team, who showed such commitment, enthusiasm and good sportsmanship, every time.

Well done to Aisha who was chosen as Player's Player this week, for some great defensive play.

A huge thank you to the players, supporters and sports leaders, who all helped make this league possible- we couldn't have done it without you.

Mrs. Hollis.
