World Environmental Day

We held an Environmental day in school on Monday. We had many companies that came into school to talk to the children. It was lovely to see how knowledgeable and passionate our children are about saving the planet.

Thank you for your support and enthusiasm for World Environmental Day.

The Eco Leaders worked hard with Mr Croft and Mrs JD to transform a barren raised planter in the courtyard into a wildlife friendly garden. As we were planting plants such as Buddleia and Ceanothus the bees were already buzzing around.

Bird boxes have been fitted

around the school grounds

Bat Box

Re Cycled Clothes

Thank you to everyone who sent in bags for the Bags2School clothing collection - we raised £149 ! The Eco Leaders will be deciding how best to spend the proceeds. Due to the success of this event, another collection is booked for November. Details to follow in September.

Year 5

As part of our Unicef Rights Respecting Schools Global Goal – Life on Land, Year 5 have been looking at the impact of deforestation in the rainforests. We have chosen a rainforest charity called 'Cool Earth' to raise money for this term. We decided that we would try to re-use and re-cycle some materials to create some amazing light up ornaments. The children used old wine bottles and their art skills to produce some fabulous work.

We will be selling these at the Summer Fair for £5 each (all proceeds going to Cool Earth). Year 5 hope to see you all there on Saturday 23rd June!

Maths

Thank you to those parents/carers that attended our KS1 Maths workshop last night. Please see the link below should you wish to re visit the presentation. For KS2 it is tonight at 6pm.
