Year 3

In Year 3, we have been learning about pneumatics in Design and Technology. Firstly we learnt what a pneumatic is and looked at items that use pneumatics. Then we investigated making our own. Finally we designed and made our own moving monsters. Have a look at our fantastic creations!
Thank you so much for all the boxes that you sent to make this project possible.

Year 5 & 6 Match report

Yesterday, Year 5 and Year 6 played a football match against Weddington School. They were a very good side, but we were able to score a goal early on in the first half and win the game. We started the game strong and we finished strong. We made a few good attacks, however we could've scored a few more goals. We tackled very well and kept ourselves stable when in our positions. We are all very happy with the result. This is our first game we have won, so thanks for all of the support, we are all very proud of ourselves. We really hope to win more games in the future over the year.

Vacancy - Finance Assistant

We have a finance assistant position available at St Nicolas part time working 13 hours per work over 2 days. Please contact St Nicolas school if you are interested in this position.

After School Clubs

Information will be communicated after Easter regarding our after school clubs.

Netball Match

The final week of the Nuneaton Netball Tournament took place last night. The St. Nicolas Blazing Stars played Park Lane in a very physical game. However the girls battled through a couple of injuries and held their own. At half time it was a draw, but some exceptional shooting from the Park Lane GS meant we finally lost 11-5, in a hard fought game. Meanwhile, St. Nicolas All Stars took on Weddington. Some excellent and accurate passing and shooting gave us the edge and we won 5-0. We will have to wait until after Easter to see our final position in the league table.

All the netballers and myself would like to take this opportunity to say a huge thank you to our volunteer, Mrs Prisk, who has taken time out of her retirement to help coach the teams throughout the year and has umpired at every single tournament.
