

Mathematics – EYFS

Unit	Lessons	Early Learning Goal
1 Numbers to 5	Counting to 1, 2 and 3 Counting to 4 Counting to 5	Have a deep understanding of number to 10, including the composition of each number Recognise the pattern of the counting system
2 Sorting	Sorting into 2 groups	Compare quantities up to 10 in different context
3 Comparing groups within 5	Comparing quantities of identical objects Comparing quantities of non- identical objects	Compare quantities up to 10 in different context Subitise (recognise quantities without counting) up to 5.
4 & 5 Change within 5 Time	One more One less My day	Have a deep understanding of number to 10, including the composition of each number Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.
6 Number bonds within 5	Introducing the part-whole model	Have a deep understanding of number to 10, including the composition of each number. Automatically recall number bonds up to 5.
7 Numbers to 10	Counting to 6, 7 and 8 Counting to 9 and 10	Have a deep understanding of number to 10, including the composition of each number Subitise (recognise quantities without counting) up to 5 Verbally count, recognising the pattern of the counting system.
8 Comparing numbers within 10	Comparing groups up to 10	Have a deep understanding of number to 10, including the composition of each number Subitise (recognise quantities without counting) up to 5 Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.
9 Addition to 10	Combining two groups to find the whole	Have a deep understanding of number to 10, including the composition of each number Subitise (recognise quantities without counting) up to 5 Automatically recall numbers bonds up to 5 and some number bonds to 10, including double facts Compare different contexts, recognising when one quantity is greater than, less than or the same as the other quantity quantities up to 10 Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity
10 & 11 Number bonds to 10 Shape and space	Number bonds to 10 Shape and space	Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall number bonds up to 5 and some number bonds to 10, including double facts.
12 & 13 Exploring patterns Counting on and back	Making simple patterns Exploring more complex patterns Add by counting on Taking away by counting back	Have a deep understanding of number to 10, including the composition of each number Verbally count, recognising the pattern of the counting system
14	Counting to 20	Verbally count beyond 20, recognising the pattern of the counting system

Unit	Lessons	Early Learning Goal
Numbers to 20		
15 & 16 Numerical patterns Measure	Doubling Halving and sharing Odds and evens Length, height and distance Weight Volume and capacity	Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally
