**Who is Andy Goldsworthy?**

- Andy Goldsworthy is a British sculptor
- He likes to create his sculptures in natural places, using only natural materials.
- The materials used in his art often include brightly coloured flowers, icicles, leaves, mud, pinecones, snow, stone, twigs, and thorns.
- He sometimes uses power tools and help from

**Styles and Techniques**

- Sculpture is a type of visual art that operates in three dimensions (unlike 2-D paintings).
- Earth art is also known as land art or Earth-works.
- This type of art uses rocks, soils, plants, water, and vegetation.
- Earth artists take photographs of their work before it decays or disappears.
