

Together, we flourish.

“Do you not understand that everything that goes into the mouth passes into the stomach, and is eliminated?”

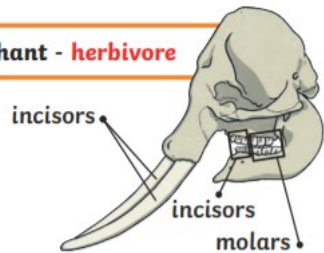

Matthew 15:17

An Example of a Food Chain

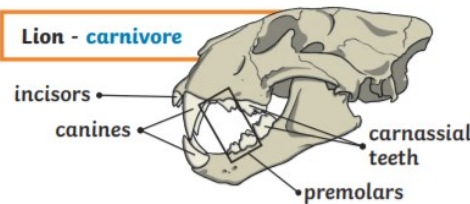

The arrows in a food chain show the flow of energy.

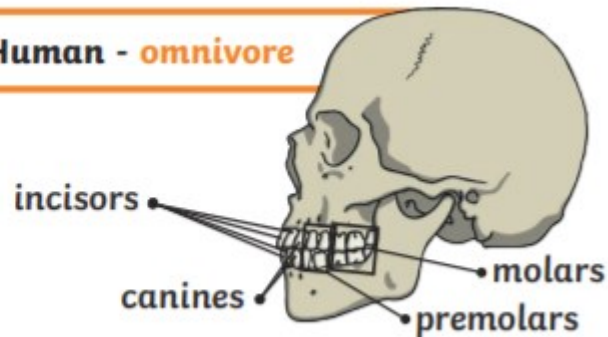

Elephant - herbivore

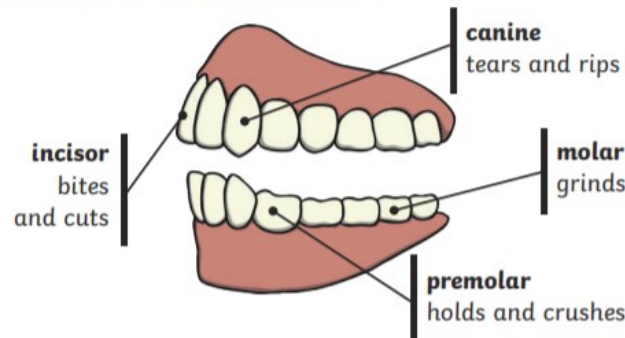

Lion - carnivore

Human - omnivore

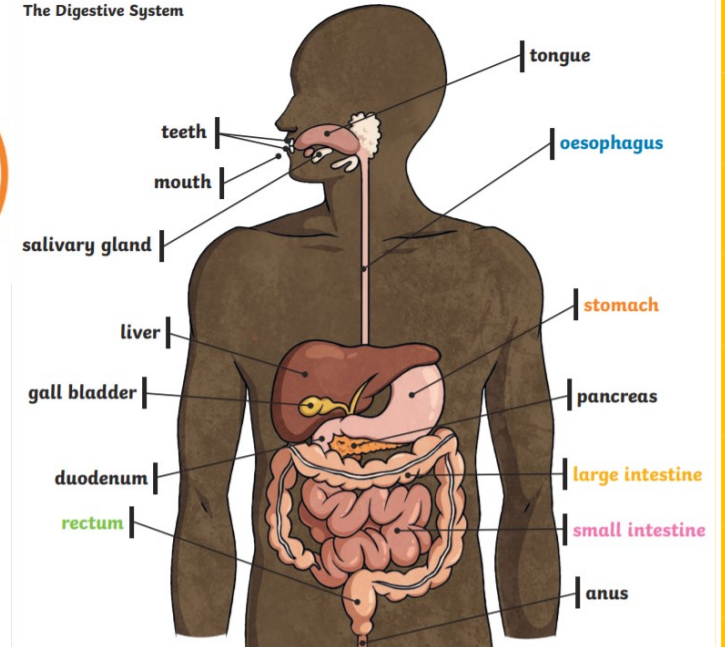

Human Teeth and Their Functions

Some people have wisdom teeth but they have no function now.

The Digestive System

Lets investigate!

Can you compare the teeth of carnivores, herbivores and omnivores?

Can you investigate the most effective toothpaste?

Key Vocabulary

incisor	herbivore	producer
canine	omnivore	predator
molar	carnivore	prey
