The Nurture Nest

This half term we have introduced a SEND Team consisting of 5 Teaching Assistants and 3 Thrive practitioners.

The SEND team deliver a range of interventions across the school, support children in class and manage the nurture room provision.

Our 'Garden Room' provision has been enhanced

and is now '**The Nurture Nest**'.

It contains a variety of sensory resources, continuous provision and a space for learning. This space is in addition to our '**Thrive Room**' which provides a quiet space.
