Understanding The World	People who help us - dentist, doctor/nurse Know how I have changed from the past Know where my home and school is in Nuneaton Where I live, there are 4 different seasons in a year (Autumn) Know how others are similar and different to themselves and be able to talk about this. Know that Harvest is a festival to say thank you for the food farmers grow.	People who help us - Firefighters Explore the Diwali story and why it is special To talk about their own experiences of Bonfire Night and how it is celebrated Know how toys have changed from the past Where I live, there are 4 different seasons in a year (Autumn & Winter) To explore changing states - ice/water, oats/milk To know that bears are real animals that do not talk, live in houses or eat porridge.	People who help us - vets Explore Chinese New Year and how/where it is celebrated. Know some jobs in farms have changed and some have stayed the same Use a map to shows a place from above. Where I live, there are 4 different seasons in a year (Spring) Be able to say which animals make good pets and why To know what happens on a farm and where our food comes from - chickens lay eggs for us to eat, and cows give us milk Some farms raise animals for food. Know the names of some animals and their young.	To name and sequence the days of the week. Know how shops have changed from the past Where I live, there are 4 different seasons in a year (Spring, Summer) Know the life cycle of a caterpillar Plant and care for beans Know that plants provide food for us and other animals Know some things that a plant needs to grow.	People live in different countries (e.g. India, Spain, Scotland, etc.) · Burkina Fasso is a hot place. Antarctica is a cold place. Where I live, there are 4 different seasons in a year (Summer) Explore floating and sinking The Earth is made of land and water and most people live on land
